

RRI2SCALE & TeRRIFICA Final Conference:

"Embedding RRI for smart and climate resilient European regions"

Agenda of the Conference

Welcoming and registration	
08:30 – 09:00	Registration
09:00 – 09:10	Welcome and presentation of the Joint Conference, by Isa Hofmann (Moderator)

Part I: Joint opening	
09:10 – 09:30	The role of Responsible Research and Innovation for achieving sustainable European regions, by René von Schomberg (Honourary speaker) – introduced by Isa Hofmann
09:30 – 09:50	Towards climate-resilient regions: the experience of the TeRRIFICA project, by Norbert Steinhaus (Coordinator – WILA Bonn)
09:50 – 10:10	Towards RRI-driven “smart regions”: the experience of the RRI2SCALE project, by Margot Bezzi (Coordinator – APRE)
10:10 - 10:40	Same cause, different methods: a discussion on the need for complementarities between EU-funded projects, by Isa Hofmann (Moderator) and Tjitske Holtrop (SUPER-MORRI project)
10:40 - 11:00	Coffee break

Part II: Exploring the public engagement – policy making nexus (Parallel sessions)

RRI2SCALE session: Implementing regional RRI in smart cities – energy – transport		
11:00 – 11:20		The importance of RRI in the “smart” domains, by Mihael Leskovar (Honourary speaker)
11:20 – 11:40	Mapping pillar 	The RRI2SCALE way of engaging citizens <ul style="list-style-type: none"> Understanding citizens’ moral values (WP1), by Elena Hörndler (RIM)

		<ul style="list-style-type: none"> Key results from a large-scale survey and interviews (WP1), by Elena Hörndler (RIM)
11:40 – 13:00	Engagement pillar 	How to engage regional stakeholders – Part I <ul style="list-style-type: none"> Exploring the future in smart cities, transport and energy (WP2), by Christos Politis (Q-Plan) Applying the SES Tool in regional multi-stakeholder dialogues (WP3), by Maya van den Berg (UT) Short demo of how the SES Tool can be used by European regional authorities, by Maya van den Berg (UT)
13:00 – 14:00		Lunch break & networking
14:00 – 14:55	Roadmaps pillar 	How to engage regional stakeholders – Part II <ul style="list-style-type: none"> Co-creating RIS3 roadmaps based on RRI (WP4), by Saeed Moghadam Saman (HVL) <ul style="list-style-type: none"> Kriti – Eleni Stamataki (KRITI) Galicia – Manuel María Paris Lestón (GAIN) Overijssel – Joost Kuijper (PO) Vestland – Marta Rongved (VLFK)
14:55 - 15:15	Monitoring pillar 	Monitoring and lessons learned from the RRI2SCALE pilot sites (WP5), by Rene Wintjes (UM-MERIT)

TeRRIFICA session: Future visions of integrating RRI into Climate Actions		
11:00 – 11:15	Mapping pillar 	Getting Data – Building Capacity - Exploring Possibilities: TeRRIFICA’s path from Knowledge to Action (WP1), by Norbert Steinhaus (Coordinator – WILA Bonn)
11:15 - 11:45	Engagement pillar 	A Data Basis Tool for Visualisation – TeRRIFICA’s crowd mapping tool (WP3 – AMU)
11:45- 13:00	Roadmaps pillar 	Regional Roadmaps for the implementation of Climate Change Adaptation Activities – Part I (WP4) - Panel Discussion Setting <ul style="list-style-type: none"> The Poznan Agglomeration (Poland) Oldenburger Muensterland (Germany) Brittany, Normandy & Pays de la Loire (France)

		<ul style="list-style-type: none"> • Minsk (Belarus) • South-East Europe (focus on Serbia) • Barcelona Metropolitan Area (Spain)
13:00 – 14:00		Lunch break & networking
14:00 - 14:30	Roadmaps pillar 	Engagement Aspects for implementing Regional Roadmaps for Climate Change Adaptation Activities – Part II (WP4)
14:30 - 15:15	Monitoring pillar 	Visions of a climate landscape by 2030

Scenario Exploration System (SES) Tool interactive workshop – parallel session	
08:30 – 09:00	Registration of participants in one of the two SES sessions
11:00 – 12:30	First SES interactive workshop, by the team of University of Twente DesignLab Short presentation of SES fundamentals and interactive workshop of participants into groups
14:00 – 15:30	Second SES interactive workshop, by the team of University of Twente DesignLab Short presentation of SES fundamentals and interactive workshop of participants into groups

Part III: Toward responsible and sustainable policy-making at the regional level	
15:15 – 15:45	Final coffee break
15:45 – 16:30	Learning from each other: cross-regional cooperation in EU projects – moderated by Isa Hofmann <ul style="list-style-type: none"> • Nord-Est Romania, by Agatha Filimon (TeRRItoria project) • Central Macedonia, by Kallitsa Pantazi and Eleni Pappa (TeRRItoria project) • Western Balkan countries, by Andjela Pepic and Kejt Dhrami (WBC-RRI project)
16:30 – 17:15	Open discussion and Q&A session: how to communicate results to policy makers? – moderated by Isa Hofmann <ul style="list-style-type: none"> • René von Schomberg • Norbert Steinhaus • Margot Bezzi • Mihael Leskovar • Agatha Filimon • Kallitsa Pantazi and Eleni Pappa • Andjela Pepic and Kejt Dhrami
17:15 – 17:30	Conclusions and final remarks, by Isa Hofmann (Moderator)
